Feyh Farm Co., is a multi-generational family farm located near Alma, Kansas. For over 35 years we have been producing commodity crops, warm and cool season grass seed and cover crop seed on our own 3,000 acres, and other rented acres in Eastern Kansas. We add value to these seed crops by processing and marketing them wholesale and retail. We currently employ 10 dedicated employees to assist us with our seed and production operations.

We are looking for a motivated, teachable, self-starting, dependable, **long term**, Sales Manager which is eager to learn predominately about Native grass and wildflower seed and sales. Someone who can provide excellent customer service to our current customers and gradually build our customer base. This position must have excellent communication skills, both written and verbal, and be detail oriented.

We offer competitive compensation (base + sales commission), based on experience, along with paid vacation, Health insurance, Workers Comp insurance, matching retirement, and 6 paid holidays, uniforms.
